In presenting the plan to prospects, you agree not to utilize any literature, materials or aids not produced or specifically authorized in writing by MintBuilder. ## INCOME DISCLOSURE

The MintBuilder Compensation Plan is an exciting opportunity that rewards you for selling products and services and for sponsoring other participants who do the same. Although the opportunity to earn with MintBuilder is extraordinary, individual results will vary depending on commitment levels and sales skills of each participant. Success in MintBuilder has nothing to do with the market value of precious metals. Since MintBuilder has recently launched, it lacks enough statistical data to prepare reliable income disclosures. The numbers below reflect **estimates** prepared by the company pending a more detailed survey to be conducted after its first year. Based on industry standards and company projections, the average annual gross income for Independent Representatives is projected to be anywhere between \$500 and \$2,000. There will certainly be participants who will earn less while others will earn much more. We're excited about the Compensation Plan and we're confident it will provide you a solid foundation to help you achieve your financial goals. If income projections were presented to you prior to your enrolment, such projections are not necessarily representative of the income, if any, that you can or will earn through your participation in the Compensation Plan. These income projections should not be considered as guarantees or projections of your actual earnings or profits. Success results only from hard work, dedication, and leadership.
